The great commission both figuratively and literally requires us to move, both as individuals and as the church. Recent events have meant that the church has moved and changed in a more dramatic way over a few months than it has for hundreds of years in the West - it has been thrust into the online space. Yet an important question to ask as the slow transition to normalcy returns, is "How can we use the natural momentum of change we are currently experiencing to live out the call to make disciples?"

Today we are blessed to hear again from Justin, pastor at Riverside. He will be sharing with us about the different movements that the great commission calls the modern church towards. Are we willing to rise to the challenge? Will we slow down enough to work it through before the decisions are made for us?

Yours in Christ,  
Daniel Waugh

### Catalyst Spot

Our Nation and our First Nation  
People have just celebrated

Reconciliation Week. It is twenty years

since the iconic Reconciliation Walk across Sydney Harbour  
Bridge. The organisers stating, "Our hope is for a united

Australia that respects this land of ours; values the Aboriginal  
and Torres Strait Islander heritage; and provides justice and

equity for all". **While the question of how to continue to move  
towards reconciliation is nuanced, several things are clear.**

**1) God declares** all peoples as being created in his image and as  
precious to him. **2) God calls us to unity**, and this is in line with

part of our Church's Mission Statement. **3) The Bible teaches us**  
about compassion for the vulnerable. **With these in mind** our

Catalyst team recognise the positive intent and inclusiveness of  
Acknowledgement of Country (Psalm 82:3-3, Micah 6:8). It does

not have to be done by an indigenous person. **The Catalyst team**  
**would ask that you please consider and pray on this**

**matter** as these issues are currently in the news.

**Please note that an** acknowledgment of Country is different to  
Welcome to Country which is an invitation by the people of that  
particular tribal area (to ask permission) to enter and promise to  
respect the land you are entering from an elder of that land.

## PRAYER TIPS:

Ask God to help us remember His truths.

Dare to be bold in our prayers.

Say yes to God He will provide all you need.

## CONNECT GROUPS

Connect groups are a great way to get to know a small of people from our CBC community. This is important when we are still not able to gather as a larger community. Groups meet regularly (e.g. via Zoom or face to face if small enough) to catch up, share and pray with one another. Many groups are encouraged by reading the Bible, discussing it together, and letting it shape their lives. Contact Margy or the church office to find out how to you can join or host a group with a few other families or friends.

## HOPESTREET Collections will take place 21st & 28th June.

Due to Covid 19 restrictions we will need to collect items differently. If you are able to please drop off items to the church office. Karon will be there to accept them Tuesday to Thursdays. If you are not able to, please contact the office to let us know if you would like your items to be picked up, or shopped for. As you can appreciate the needs of the homeless are not diminishing.

The following is a list of needed items: Up & Go (much needed), Poppers (much needed), Noodles in a cup (much needed), Pasta & Pasta sauce, Muesli bars, Long life full cream milk, small boxes of cereal.

## CBC Offerings:

Dear fellow CBC members/believers,  
We are thankful that Covid-19 is under control now, schools and businesses have reopened and our economy is starting to pick up again under the Government's 3 STEP framework for a COVIDSAFE nation. Despite all that has happened, we should acknowledge that Our Lord is still in control because He never ceases to provide for us as He loves us unconditionally. For those who are enjoying subsidy from JobKeeper or JobSeeker and getting their needs met, they should be very grateful, as there are many who are still struggling to make ends meet. We shall continue to pray for those who are experiencing financial hardship that they will be able to get through this difficult period. We encourage all church members/fellow believers especially those who are not going through financial hardship to give according to their ability and not beyond their means.

## UPDATE COVID-19—RESTRICTIONS

An email updating us on the impact of the changing Covid-19 restrictions went out to our list 2 weeks ago. If you did not receive this information and would like to go on our list, please contact the office.

**In brief, the easing restrictions don't yet allow us to recommence Sunday Services in the way we were doing them previously. Our plan is at this stage to look for opportunities to use the easing restrictions to provide an element of connection and community, in a safe way, that will complement, not replace, our current pattern of online services.**

Please pray for those making plans for our future life and ministry together, including our WHS team working on our 'CovidSafe Plan', and make sure you participate in our growing discussion about the shape of our future under God.
