Welcome to our Celebration Service for November! In these services we aim to come together as a diverse wider church community, to celebrate our unity in Christ. Sometimes these services are hosted by different communities within our church – Korean, Mandarin, children, youth and young adults. Sometimes these services focus around a theme – something which is important to all of us, such as Thanksgiving or Mission. This month we celebrate God's heart for justice, and in particular our partnership with BaptistCare which is all about participating in God's pursuit of justice, in ways that we could never do alone. Our thanks go to Naomi Rourke and Di Daniel who lead us in this partnership, and who have led in the preparation of this special service. Thank-you also to our guest speaker, Randy Wood, Fundraising Manager for BaptistCare. It's also a good time to acknowledge the many people in our church congregation who are involved directly in the work of BaptistCare as employees or volunteers.

We miss meeting together as one large group during this time of covid-19, but we are still one people under Christ, with a shared mission and desire to encourage each other in this. Don't give up meeting together, even if that needs to look somewhat different at this time!

Grace and peace,
Steve

Mission Spot

BaptistCare's purpose was originally articulated in 1944 as "Expressing the love of Jesus to those in need". Today it's purpose is communicated as "Transforming lives by expressing the love of Christ." The focus in the early days was the creation of homes for vulnerable women and children. More than just a building, a home should have "a friendly, kindly, sympathetic atmosphere, where everyone feels instinctively that they are loved and wanted."

In 1953, the Trust's first aged care home, Yallambi, was opened in Carlingford.

In 2019, Baptistcare celebrated 75 years of service.

There are many members both present and past who have faithfully served with Baptistcare and have seen God's love change lives through it's work in diverse programs, projects and services.

Today our Church regularly supports Hope Street that ministers to the homeless and sex workers and other vulnerable people in the Woolloomooloo community and has expanded to 11 other places in our state where there was need. These are Central Coast, Grafton, Dubbo, Port Kembla and Wallsend to name a few.
