## Psalm 121 - The Assurance

Many of us would be aware of this Psalm " I lift my eyes to the hills; where does my help come from?"

Whether it's in the time of a covid lock down, or grief (I just got off the phone to a pastor whose mission partner overseas has just passed from Covid), or whatever trial or uncertainty is bombarding them, or us. God's Word speaks. He provides hope, rescue, comfort and joy.

In the midst of whatever life throws at us, He is present.

Yours in Christ,  
Sid

## Mission Spot—

### H.E.L.P. Samaritan Children's Home

In Bangladesh the delta variant of Covid 19 infection rate is rising quickly. The death toll is 81-87 each day and over 5000 infection rate per day.

At the School everyone is very anxious and they are taking all health protective measures that they can. A couple of teachers and staff are sick with other illnesses and are recovering at home.

David Halder writes; "We really don't know what holds for us in the coming days. I personally believe in prayer has the power and our great God can save us.... So I would request to you all, please pray for these innocent children living on the campus."

An ex-student Liton Biswas has gone to be with the Lord from Covid, 23rd June after being tested positive May 6th May. He leaves his wife and two daughters aged 5 years and 7 months. He was a member of the ALUMNI Association. The family also needs prayer for the Lord's guidance and protection.

## Elders Update - July

As we indicated last month we are moving to provide monthly elders updates. Following on from the June Quarterly Meeting things are starting to take shape with the Church Health Check. We have entered into the agreement with the Association about the check. Two consultants have been appointed from the Association's Church Consultancy Team. Tim Burns is a Church Health Facilitator. He is originally from the UK and has had a few pastoral roles in Australia, including as Senior Pastor at Mortdale-Oatley Church. The other consultant is Kevin Jin, who is an Associate Pastor at Macquarie Baptist Church. The first major stage of the Health Check is we have been asked to get a lot of background information about the church such as details of church activities, budgets & membership. Don't be surprised if we reach out to some of you to ask for information about certain aspects of the church over the next few weeks. Please be praying that God will use the Health Check to lead us in the direction He has for His Church at Carlingford. Thanks to all those who are helping us adapt to the new COVID restrictions announced last week, particularly for our worship services. Your work is really appreciated. Let's keep in prayer the current COVID situation as it affects everyone connected with the Church. Patsy, Amy, Jason and Alan

## Prayer theme for July-

### The Current COVID situation

With the developments this week across Australia and particularly for Sydney we want to bring the situation to God.

This week we might use as part of our prayer time a prayer that the National Council of Churches have prepared about the COVID situation

Gracious God,

We give thanks anew for your providence and presence.

We prayerfully seek your grace, amidst COVID-19 here and overseas.

We pray for those in need of healing.

We pray for your peace with those who are anxious or grieving.

We pray you will continue to strengthen and sustain all those who are serving in response.

We pray for your Holy Spirit's discernment amidst the many choices and decisions facing our national, community and medical leaders.

We pray we each might see quickly what more we can do to help those who are vulnerable.

This prayer for our nation in the family of nations, with all that is on our hearts, we gather now and pray through Jesus Christ our Lord. AMEN.
