We are all feeling the difficulties of COVID restrictions and whatever our age we are all missing friends, family – people! (Thank heavens for phones and Zoom!!). Humans, are herd animals. We need others. We were made for community. Solitary confinement is a terrible punishment, which In convict times sent many insane. God said, "It Is not good for man to be alone." So he put us in families. However no family, can fulfil all our needs. God has made a greater provision for humans – his family, the church. All who believe, are born into his family as full members to be welcomed, accepted and loved. Here at Carlingford, diversity makes our church community an interesting, but complicated challenge, as we all are in process of becoming like our Father. We have different ages, life experiences, educational backgrounds and family situations. We have different spiritual gifts and financial resources to contribute to the upbuilding of the whole. If you love Jesus, you belong to our Carlingford family. Don't sit on the sidelines. Feel welcome as a valued member, with your own unique, significant contribution to our (church) family life, not just after COVID restrictions, but now.

Blessings,  
Sylvia

### **Mission Spot—Open Doors**

#### ***May Mission Month Project 2020— Hope for the Middle East***

A few recent statistics from the project:

#### **Iraq**

Open Doors has funded the rebuilding of 1400 houses that had been destroyed by war.

10 young Christians in Iraq completed a one-year advocacy training program to speak up about the issues they face.

65% of all churches (about 125 congregations) have been transformed into Centres of Hope.

#### **Syria**

20% of churches (about 110 congregations) have been transformed into Centres of Hope.

Centres of Hope are places which provide training and services for those who remain in their country amidst persecution. They distribute food, run youth and children's activities, teach English, disciple new believers, provide business loans and run marriage and parenting courses among other things.

### Surviving Covid Lockdown

I think we are all aware that these are understandably challenging times which can stretch us in so many ways. Let me encourage you to **-stay connected with God (LOOK UP), stay aware of your own mental and spiritual health (LOOK IN), and stay connected with those around you** – family, friends and your neighbours in the broadest sense (**LOOK OUT**). *“Do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of it's own” Matthew 6:34*

### Celebration Service

**Our next Celebration Service will be held on-line on October 3rd** – all 3 congregations will be making contributions. It will be a good time to celebrate God's goodness to us and our unity in Christ. Please note that in the future these Celebration Services will be held once a quarter rather than once a month. This gives the opportunity to put creative energy & input into the gatherings, Ideally, once Covid restrictions have eased, they will also include sharing food together.

We shall continue to pray for those who are experiencing financial hardship during this lockdown period due to the pandemic, that the Lord will provide all their needs. We encourage all fellow believers especially those who are not affected by the current situation to give according to their ability and not beyond their means. ### OUR GOD – All Knowing, All Powerful, All Present

This week we might in our prayers recognise and thank God for His for knowing all things. Psalm 147:5 says that great is our Lord and abundant in strength, His understanding is infinite. We are also reminded in Matthew 10:30 that the very hairs of our head are numbered by God. Another verse to consider in your prayers, Hebrews 4:13 - no creature is hidden from His sight. God is with us, knowing us.

A useful quote from RC Sproul to think about when praying to our all knowing God – To know that God knows everything about me and yet loves me is indeed my ultimate consolation.

### Our MONTHLY CHURCH PRAYER MEETING is on this afternoon from 3-4pm by ZOOM. Details are
