Life is not a spectator sport. Although we love being spectators to lots of interesting events including Soccer World Cup qualifiers, Platinum Jubilee spectaculars or just our children or grandchildren achieving pleasing results, as Christians we are here on earth to make a difference. That means getting involved in life as it presents itself—whether good, bad or indifferent. Nehemiah came from a long line of refugee families, separated for generations from their homeland, away from the structures of their religion, forced into slavery in a culture & language they didn't understand. He had every reason to give up and feel sorry for himself, but God had a plan for his life and Nehemiah responded. When he learned that his people's homeland was in ruins, he mourned, fasted and prayed. He knew he could do something about that and his prayers turned to plans. The hand of God was upon him. His plans turned to action. In a wonderful way God used him to restore his people and rebuild Jerusalem. There was opposition, but Nehemiah persevered. He trusted himself & his people into God's capable hands. And he acted. Our challenge at Carlingford is to pray, to plan and to act as God leads, for the hand of our God is upon us.

Blessings,  
Sylvia

### Mission Spot – May Mission Month

Thank you for your generosity during May as CBC raised funds for the work of Sydney Refugee Team and their projects with other Christian partners.

The total raised was \$5750. Their ministries include the Food Parcel Team, Freedom to Flourish, The Restoring Garden, Create in Kindness, Awareness and Training and Refugee Companion. You would have seen in last weeks bulletin more about their work. During the month of May we also heard from Open Doors, Jews For Jesus, H.E.L.P., Hope Street, and Baptist World Aid. I hope you are encouraged by the wonderful work these and other Christian organisations are continuing to undertake to show the love of Jesus and to build His kingdom. There are regular updates on the noticeboard in the foyer from the mission groups that CBC supports and there have been newsletters from some of them since they visited us. Please continue to pray for these missions.
