## MISSION SPOT—FEBC (Far East Broadcasting Co.)

Pakistan has the second largest Muslim population in the world. FEBC's partners have been quietly changing mindsets about Christians through their faithful, humble service to the poorest communities. The people may be silenced out of fear of the feudal lords, or just resigned to their condition.

The team runs free medical camps for women and children who sorely lack the basics. They provide vocational training for women who are denied education. They dig water bores so each village can have safe drinking water. They are there when floods occur, bringing critical supplies to villages. They are still there after the floods when everyone else has left, cleaning up houses, restoring lives, providing vital training on dengue prevention. They teach the community to produce community radio programs.

In Northern Pakistan one community of IDP's (Internationally Displaced Peoples) from Afghanistan did not have access to basic needs. One Pakistani lady volunteered her help. The reason for her decision? That the team was Christian. "I will not trust anyone when it comes to send money. But because you are Christians, I find that you will lead the well digging. I feel relaxed and happy" the lady shared.

## JUNE PRAYER THEME - Sharing the Gospel

This month we encourage you to pray about sharing the gospel. In Matthew 28 19-20 Jesus says  
"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you."  
Pray that God will enable us to share the gospel. This week we can use 1 Peter 3:15 our prayer.  
First, ask God's spirit to help us revere Christ as Lord.  
Second, pray that God will prepare us to give an answer to everyone who asks you to give the reason for the hope we have in Christ.  
Finally, pray that God spirit will give us gentleness and respect when we share about our hope in Christ.
