## Welcome to Carlingford Baptist Church

**NEWS — 30 July 2023**

Today we will be hearing from Howard Bennett on 1 Timothy 2.

### JULY PRAYER THEME – SERVING GOD

This month our prayer theme is around serving God. In Ephesians 4: 11-13 Paul tells us that Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers,

to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. Romans 12: 9-13 tells us how to serve. It says our love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above yourselves. Never be lacking in zeal, but keep your spiritual fervour, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer. Share with the Lord's people who are in need. Practice hospitality. This week we can pray that God will enable us to serve in the way we are encouraged to do so in Romans.

## MISSION SPOT-

 BAPTIST WORLD AID

Shiva has a disability from injuring his leg as a child. With little options for work, he couriered goods from Nepal to India on a bicycle for an income that barely met his family's needs and caused him pain. He and his wife, Gita, have five children. They were excluded from community life. "If someone is getting married, they would not invite people with disability", he said. "They would call us names. Really hurtful names".

Shiva was invited to join our Partner's program for people with disability. Through the group, Shiva received funding to run a general store with Gita. The shop now makes double what Shiva earned as a courier. The shop has also given Shiva a way to be restored with others. "People come here every day and have a really good chat with me," he said. "Due to the project I have more opportunity in. my life".

At his shop, he helps people with disability apply for an ID card so they can access government support and concessions, such as discounted medication. So far, he's helped 125 people make a successful application. His group is also advocating for more employment opportunities for people with disability, and helping people who are vulnerable to network with each other.

### **Stories of restoration are happening all around the world where our partners are serving. A review of last year:**

-**2,857** marginalised people reported greater inclusion in social, political, and economical life, and say they are more included in decisions that effect their wellbeing.

-**6,942** marginalised people overcame barriers to gain access to services such as education and income-generating activities.  
-**237** community structures have changed in their practices, policies and guidelines due to working with/for marginalised people
